BARTENDER'S CHOICE

MIDLETON VERY RARE

VINTAGE 2018

€26.50

Midleton Very Rare is Ireland's most exclusive whiskey. Only a small number of casks of the finest distillates are hand selected by the master distiller at the Midleton distillery each year. The distillery is situated in Midleton, less than 30 minutes from here

JAMESON BLENDER'S DOG

€11.50

This is a blend of both grain & pot still whiskeys that have been aged in ex-bourbon & ex-sherry barrels; 3 different spirit types are used in the grain & pot still element, 4 different barrel age profiles; which delivers butterscotch sweetness, prickle of spice & tannins

REDBREAST 15 YEAR OLD

€15.70

A sumptuous single pot still whiskey with a great degree of ageing, Redbreast 15 is richer, earthier & stronger than its 12 year old sibling, an essential part of any whiskey-drinker's education

YELLOW SPOT

€12.00

The recreation of an old brand, the pot still content in Yellow Spot is medium weight, similar to Green Spot but aged for at least 12 years; drawn from three types of casks: ex-bourbon, sherry & Malaga casks that held Pedro Ximenez wine. These casks add a good bit of weight, body & flavour, adding additional dimensions

POWERS 'JOHN'S LANE'

SPECIAL RELEASE

€13.00

A revival of old style Powers once made at the old distillery at Thomas St, Dublin, this no-age statement release, has been aged predominantly in ex-bourbon casks with a small amount of ex-Oloroso sherry barrels

GINS

BARTENDER'S CHOICE

MONKEY 47

€9.00

An unusual gin from the black forest in Germany, Monkey 47 contains a unique ingredient; cranberries! The 47 comes from the number of botanicals that go into this unique gin & the fact it's bottled at a healthy 47%. This plethora of ingredients has paid off. In 2011 it won the world gold award in the gin category & gold for best in class for gin at the international wine & spirits competition. Not bad!

COPPERHEAD GIN

€8.50

Copperhead gin, a Belgian expression, made with 5 botanicals; juniper, cardamom, orange peel, angelica & coriander, it was named after Mr. Copperhead, an alchemist who was searching for the elixir of life, along the way, he produced the recipe for this refreshing gin

DRUMSHANBO GUNPOWDER

€7.50

An Irish gin made with juniper, angelica, orris, caraway, coriander, meadowsweet, cardamom & star anise as well as vapour infused oriental lemon & lime, fresh grapefruit & gunpowder tea; it's produced at the shed distillery, who are also making their own Irish pot still & single malt whiskeys

HENDRICK'S

€7.00

Quirky producer Hendrick's make their pot-still distilled gin using cucumber as one of the primary botanicals; this makes for a unique, tasty & incredibly refreshing gin

SIPSMITH LONDON DRY GIN

€8.00

Produced in the workshop previously used by the late, great Michael Jackson (whiskey writer, not moonwalker), this super-small-batch artisanal gin is flavoured with restraint, making it easier for the natural quality of the spirit to shine through. Distilled in a marvelously compact pot still / column still combo named Prudence, Sipsmith epitomises distilling on a truly artisanal scale. At the time of her installation, Prudence was the first copper pot still to be brought to life in London for over 200 years
