DRINKS MENU

CLINK!

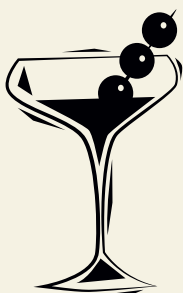

It is with great pleasure that we present to you our Montenotte beverage experience and we welcome you to explore our extensive international wine list, locally brewed stouts, decadent cocktails, and of course, our very own, bespoke Montenotte Gin.

With our wine list we invite you to take a journey around the world. Wine is an ever-changing industry and we aim to keep our menu as exciting and relevant as we possibly can.

Our team take great pleasure in talking about our wines and would be delighted to answer any questions you may have.

We have arranged our wine selection by country of origin. Wine is a gift from nature, and sometimes nature surprises us. As such, some wines may not be available temporarily.

The vast majority of our producers are small family run estates.

* Please let us know if you have any allergies or dietary restrictions we should be made aware about. Full list of allergens are available upon request.
