SCULPTURE EXHIBITION 2023

in association with The Kildare Gallery

Victorian Gardens at The Montenotte Hotel

21st June until late August 2023

A spectacular collection of garden sculptures featuring contemporary designs by leading Irish and international artists. This is the fifth year of the exhibition, in association with the prestigious Kildare Gallery, and the collection has attributes of imagination, positivity, joy and humour.

The Kildare Gallery is Ireland's leading supplier of outdoor sculpture and garden art, established in 2015 by Ruth Liddle and Ken Folan.

The gallery has an annual presence at Ireland's largest garden festival, Bord Bia Bloom, winning numerous medals to date. We are delighted to welcome The Kildare Gallery back for another year.

The theme this year is "Humour Imagination & Joy".
